April 26 - May 8, 2025 • 13 Days • Price TBD

*Australia*, is currently in the initial planning phase. Final details are expected in late May/early June 2024. Travelers who wish to hold their spot on this tour are encouraged to submit a refundable \$100 pre-registration deposit by clicking the green PRE-REGISTER button below.

Tours popular in the pre-registration phase will be finalized with firm dates, updated itineraries, and final pricing. The tour is then released for full registration. Pre-registered travelers have one week of priority access to full registration, which requires an additional \$200 (\$300 total registration). Registration deposits are non-refundable.

As of May 17, 2024, 29 travelers have preregistered. Only 24 spots are available on the tour, but the normal cancellation rate makes it very likely that travelers who are currently pre-registered will be able to travel. Even travelers who pre-register after May 17 have a good chance to join us for this down under Adventure.

## **Introduction**

WAI has shared the down under land of Australia many times since the mid-1990s. A country roughly the size of the continental USA has much to offer. Our 2025 edition of Australia minimizes the necessary flights by narrowing our focus to Tasmania and the Sydney area.

Seven Days on Tasmania immerses us in its Tasmanian Devil-like reality of weird and wonderful creatures and phenomenal geological features, along with a layered history as the site of penal colonies, pioneering whalers, and of course, a fascinating and often-tragic aboriginal past.

The Blue Mountains are another special corner of down under with spectacular scenery and walking opportunities. Sydney is one of the world's spectacularly sited cities, spread along an amazing harbor. The Harbour Bridge is the perfect viewing platform with the famous Sydney Opera House and harbor-front stretching to infinity. The Spit to Manly walk is one of our favorite down under experiences, involving a ferry trip back to our hotel across the harbor.
