[What's a Classic Curated Tour?](#)

With help from local experts and walking guides, these itineraries are hand-crafted with extensive on-site planning by WAI tour planners.

When planning Classic Curated Tours, our objective is to capture the essence of a destination—the history, culture, and natural wonders unique to that part of the world. We then build activities and walks that take us inside these characteristics.

Yes, these tours are educational, but they are also interactive and immersive; walking gets us off the bus and penetrates local cultures to not only see, but touch, smell, and feel these special spaces.

Along the way, interactions with locals amplify the experience as they share insights into the magic of that particular location.

[Walk Ratings](#)

We generally walk at a pace of 2 to 3 miles per hour. Several walks on this trip are oriented more towards education, and therefore take longer due to stops for guide commentary. Nature walks, on the other hand, generally continue at a steadier pace because we're stopping less to talk.

In most cases, we are not "strolling." We are walking at a relaxed but steady pace. Your

experience will be significantly affected by your level of physical fitness. If not walking regularly at home, we strongly recommend that you make a priority of “training” beforehand to both enjoy the trip and avoid medical issues due to overexertion. If you have questions about your ability to participate, please contact our office at fun@walkingadventures.com.

We have adopted a walk difficulty rating system which contains a numeric indicator for trail incline and an alpha indicator for trail terrain. The explanation for this system is presented on the table below:

INCLINE

1. Minimal hills or stair climbing. Cumulative elevation gain: <200 feet.
2. Some moderate hills and stair climbing. Cumulative elevation gain: 200-1000 feet.
3. Some significant hill or stair climbing. Cumulative elevation gain: 1000-2000 feet.

TERRAIN

- A. Almost entirely on pavement.
- B. A significant part of the route is on well-groomed trails with very few obstacles.
- C. A significant part of the route is on somewhat difficult terrain (rocky / rooted paths or soft sand).

[How is Airfare Arranged?](#)

Our official start point is our hotel in Nashville, Tennessee. The nearest airport is Nashville International Airport (airport code BNA). The official finish point of the tour is the Nashville International Airport.

We recommend that you contact Laura Pfahler, the travel agent we work with, to help book your flight arrangements. In this age of airfare complications and airport uncertainty, using a travel agent is a good investment! More details about flight arrangements and travel agent contact information will be provided in an Adventure Advice PDF by email after you register for the Adventure. Please do not book your airfare prior to receiving these flight details from us!

[Travel Insurance](#)

WAI believes strongly in the importance of travel insurance for financial and medical protection from any number of unforeseen circumstances that can arise before departure or during your Adventure. Many travel insurance providers are available for you to consider. Laura Pfahler and Sharon Mitchell of World Travel Inc. are travel agents who provide air travel and insurance services to many WAI travelers. Laura specializes in air travel; Sharon specializes in travel insurance.

Travel Insured International

WAI bears no responsibility for travel insurance benefits advertised by various credit card companies. If you are relying on this type of benefit for insurance, we advise you to verify coverage types and limits and that your purchase does in fact qualify you for this insurance.

NOTE: We suggest purchasing from a reputable, well-established insurance company (avoid buying insurance from an unknown company found only online). Travelers interested in purchasing "cancel for any reason" insurance coverage should be careful to check pricing and terms BEFORE they register for a tour. Recent changes in the international travel landscape has caused changes in the policies of some insurance companies, and made the purchase of this particular type of policy even more time-sensitive.

[What if WAI Cancels the Tour?](#)

Walking Adventures International reserves the right to cancel this tour departure with fewer than 12 participants, in which case registered participants would receive a 100% refund of payments received.

This refund policy contains one exclusion. Many suppliers require non-refundable deposits as a condition of booking services. Though it is rare, unforeseen circumstances can force us to cancel a tour. In cases where supplier's non-refundable policies are imposed, WAI attempts to retrieve as much of these deposits as possible but cannot guarantee a 100% refund. In cases where full refunds cannot be obtained for a cancelled tour, we will do our best to transfer unrefunded money as traveler credits to be applied to a future tour to that destination.

[What Happens Next?](#)

Upon registering for this Adventure, you will receive a welcome email and initial invoice notifying you of your tour balance and due date. All payments for the tour or optional

services/excursions can now be made online.

Soon after registration, an “Adventure Advice” email will be sent with critical information on flight arrangements as well as important steps to take in the months before your trip. Please do not buy your airline tickets until you review this Adventure Advice email.

A final payment is due 90 days before departure (currently September 1, 2023) and is non-refundable after the due date. You will receive a prompt email from us a week or two in advance. Please see our [General Tour Conditions](#) for the full terms and conditions for participation in this Adventure.

Around 2-3 weeks before departure, you will receive a final email packet with details of the program, including hotel names and contact information, a list of fellow travelers, and a more detailed daily schedule.
