[Day 1: Arrive Williamsburg, VA](#)

Travelers arrive from across the country today into Williamsburg/Newport News, a region known as America's Historic Triangle. From the Williamsburg Airport (airport code PHF), we'll provide information on how you can arrange your own transfer to our hotel in nearby Colonial Williamsburg, where we begin 6 days and 5 nights of Christmas celebrations that bring to life some of America's most significant historical eras. Following a get-acquainted orientation this evening, feel free to explore the Yuletide sights and sounds of Williamsburg's restored 18th century charms.

[Day 2: Activities from Williamsburg \(B\)](#)

Jamestown Walk - 6 km, rated 1B

We start our morning by traveling over 400 years back in time to the very roots of our nation's story. During a walk through America's first permanent English settlement at Jamestown, a newfound appreciation develops for our 17th century forebearers. Following this first of many historic strolls, a short drive takes us to Jamestown Settlement, a living-history museum where our Colonial Christmas tour is enhanced by costumed interpreters. Enjoy the Settlement's outdoor re-creations of a Powhatan Indian village, three ships modeled on the 1607 originals, and the colonists' fort before returning to our hotel for the balance of the afternoon. This evening, feel free to get out and explore the historic holiday scenes in Colonial Williamsburg, where various optional activities await you.

[Day 3: Activities from Williamsburg \(B\)](#)

Colonial Williamsburg Walk - 5 or 10 km, rated 1A

Today offers a wonderful opportunity to dive deeper into the Christmas delights, sights, and sounds of Colonial Williamsburg with its famous decorative doors awaiting our admiring stares. Our morning begins with a custom-made guided walking tour of the historic area, where our resident experts bring centuries-old stories to life in the heart of this important American town. After lunch on your own, the remainder of the day is devoted to choosing your very own holiday adventure.

What makes this evening even more special is the annual *Grand Illumination*, a Christmas

celebration replete with fireworks, drum and fife performances, and multiple live musical and dance performances. A helpful printed guide to optional programs will be provided to help you maximize your free time in our colonial home away from home.

[Day 4: Activities from Williamsburg \(B\)](#)

Yorktown Battlefield Walk - 5 km, rated 2B

This morning, our motor coach transports us along the scenic Colonial Parkway on our way to Yorktown, site of the decisive and final battle of the Revolutionary War, where George Washington and our French allies forced the British to surrender. Envision this momentous event at the American Revolution Museum as we listen to historic accounts of Christmas and winter in the Revolutionary War encampments. We then retrace the footsteps of our first commander-in-chief on the Yorktown Battlefield during today's walking event before we return to our hotel in the afternoon. The remainder of the evening is free for you to enjoy dinner and further explore our charming surroundings. During our stay in Williamsburg, we have unlimited entry to all daytime programs, museums, exhibition sites, and Revolutionary City. Within easy walking distance of our hotel, you will enjoy easy access to the historic center of town. For those interested in a nice dining experience in one of Colonial Williamsburg's historic taverns, reservations have been made at King's Arm Tavern this evening

[Day 5: Activities from Williamsburg \(B\)](#)

Richmond Capitol Walk - 10 km, rated 2B

A short drive north this morning takes us back to another crucial moment in American history as we walk in Richmond, current capital of Virginia and former capital of the Confederacy during the Civil War. While the city has changed a great deal in the last 150 years, many fine buildings and historical markers have survived and re-create for us a sense of this city's important role in our national story. On our afternoon return trip to Williamsburg, we make a memorable stop at Shirley Plantation, one of the gracious country manor houses of the James River. Revel in a "Home for the Holidays" tour at this oldest of Virginia's plantations, founded in 1613. We arrive back in Williamsburg's historic environs for one last evening of holiday exploration!

[Day 6: Depart Williamsburg \(B\)](#)

Following breakfast at our hotel, you are free to arrange your transfer back to the Williamsburg/Newport News airport for your flights home. Full of historic holiday memories spanning several centuries, we return home to warmly celebrate our own traditions with family and friends.

[How Do I Lock in My Place on This Adventure?](#)

To register, a transferable \$200 deposit is required to hold your spot. This amount is non-refundable; however, up until 60 days before departure, it can be transferred to a different tour. A final payment is due 60 days before departure and you will receive a prompt email from us a week or two in advance.

An email with critical information on flight arrangements will be sent soon after registration, with important details about steps to take in the months before your trip. Please do not buy your airline tickets until you review the Flight Arrangements email.

[What's a Classic Curated Tour?](#)

With help from local experts and walking guides, these itineraries are hand-crafted with extensive on-site planning by WAI tour planners.

When planning Classic Curated Tours, our objective is to capture the essence of a destination—the history, culture, and natural wonders unique to that part of the world. We then build activities and walks that take us *inside* these characteristics.

Yes, these tours are educational, but they are also interactive and immersive; walking gets us off the bus and penetrates local cultures to not only see but touch, smell, and feel these special spaces.

Along the way, local walking guides amplify the experience by sharing insights into the magic of that particular location.

[How is Airfare Arranged?](#)

The official start and end point is our hotel in Williamsburg, Virginia. Travelers will fly into the Newport News/Williamsburg International Airport (PHF).

We recommend that you contact Laura Pfahler, the travel agent we work with, to help book your flight arrangements. In this age of airfare complications and airport uncertainty, using a travel agent is a good investment! More details about flight arrangements and travel agent contact information will be provided by email after you register for the Adventure. Please do not book your airfare prior to receiving these flight details from us!

[Walk Ratings](#)

We generally walk at a pace of 2 to 3 miles per hour. Several walks on this trip are oriented more towards education, and therefore take longer due to stops for guide commentary. Nature walks, on the other hand, generally continue at a steadier pace because we're

stopping less to talk.

In most cases, we are not “strolling.” We are walking at a relaxed but steady pace. Your experience will be significantly affected by your level of physical fitness. If not walking regularly at home, we strongly recommend that you make a priority of “training” beforehand in order to both enjoy the trip and avoid medical issues due to overexertion. If you have questions about your ability to participate, please call our office at 1.800.779.0353.

We have adopted a walk difficulty rating system which contains a numeric indicator for trail incline and an alpha indicator for trail terrain. The explanation for this system is presented on the table below:

INCLINE

1. Minimal hills or stair climbing. Cumulative elevation gain: <200 feet.
2. Some moderate hills and stair climbing. Cumulative elevation gain: 200-1000 feet.
3. Some significant hill or stair climbing. Cumulative elevation gain: 1000-2000 feet.

TERRAIN

- A. Almost entirely on pavement.
- B. A significant part of the route is on well-groomed trails with very few obstacles.
- C. A significant part of the route is on somewhat difficult terrain (rocky / rooted paths or soft sand).

[Travel Insurance](#)

WAI believes strongly in the importance of travel insurance for financial and medical protection from any number of unforeseen circumstances that can arise before departure or during your Adventure. This is now especially true in the era of COVID-19, which is typically treated like any other illness for travel insurance purposes. Many travel insurance providers are available for you to consider. Laura Pfahler and Sharon Mitchell of World Travel Inc. are travel agents who provides air travel and insurance services to many WAI travelers.

- Laura Pfahler: 503.434.6401 or llp@wtpdx.com
- Sharon Mitchell: 971.261.2091 or smitchell@wtpdx.com

Check out [Insurance Tips](#) from World Travel for a short introduction to travel insurance. (NOTE: WAI receives no commission or financial remuneration from World Travel Inc.).

As always, do some shopping to ensure you are getting the best value. Using the [SquareMouth.com](https://www.squaremouth.com) website can be a good way to compare pricing.

Other options include:

- Allianz
- Betins

- Travel Guard
- Travel Insured International

NOTE: We suggest purchasing from a reputable, well-established insurance company (avoid buying insurance from an unknown company found only online). Travelers interested in purchasing “cancel for any reason” insurance coverage should be careful to check pricing and terms BEFORE they register for a tour. Recent changes in the international travel landscape have caused changes in the policies of some insurance companies, and made the purchase of this particular type of policy even more time-sensitive.

[What if this tour is cancelled by WAI?](#)

Walking Adventures International reserves the right to cancel this tour departure with fewer than 12 participants, in which case registered participants will receive a 100% refund of payments received. This refund policy contains one exclusion related to the COVID-19 outbreak. Many suppliers require non-refundable deposits as a condition of booking services. Unforeseen circumstances linked to the virus can force us to cancel a tour. Due to these supplier’s non-refundable policies, WAI intends to retrieve as much of these deposits as possible, but cannot guarantee a 100% refund. In cases where full refunds cannot be obtained for a cancelled tour, we will do our best to transfer unrefunded money as traveler credits to be applied to a future tour to that destination.

Because the knowledge base about COVID-19 changes daily, we review these policies and procedures on an ongoing basis, and will, of course, notify travelers on tour of updates as we approach the departure date of your tour.
